

GOODWILL CAREER EDUCATION

Goodwill Career Education is an arm of Goodwill Industries of Middle Georgia, Inc. that provides educational and training programs to those seeking “a hand-up” in the career world.

HBI (Home Builders Institute) PACT

There is no cost for eligible participants.

HBI PACT developed by the Home Builders Institute (HBI), aims to equip participants with foundational construction skills, industry-recognized safety training, and essential employability competencies needed for entry-level positions in the skilled trades. The program prepares individuals for employment or registered apprenticeships through hands-on instruction, performance-based assessments, and the opportunity to earn portable credentials that demonstrate job readiness and support long-term career advancement.

Length: 144 hours | Credential Awarded: OSHA 10 & HBI Core Certificate
